PROFILE

Motivated Full Stack Developer and recent Computer Science graduate from Woldia University. Skilled in developing technical requirements into responsive, user-friendly interfaces using Next.js and Tailwind CSS, backed by robust server-side logic with Node.js.

WORK EXPERIENCE

Internship | Ethio Telecom (Dessie, Wollo)

- Learned how wireless telecommunications systems and business workflows operate in a real-world environment.
- Worked with technical teams to understand wireless network operations and the digital tools used for customer support.

Team Lead - Academic Projects | Woldia University

- Led small teams to design and build coding projects for class assignments.
- Helped team members communicate and work together smoothly.
- Made sure the code was clean and all project documents were completed properly.
- Delivered every project before the deadline, showing strong time management skills.

EDUCATION

Bachelor of Computer Science
Woldia University | 2021-2026
GPA: 3.78 / 4.0

CERTIFICATIONS

- 5 Million Coders Challenge – Completed 2025
- e-SHE (Ethiopian Higher Education E-Learning Portal)

SKILLS

- programming: JavaScript (ES6+), C++, Java,
- web: HTML5, CSS3, Tailwind CSS, React.js, Next.js
- Backend : Node.js,
- Databases: MongoDB
- version Control: Git, GitHub
- Communication skill.
- Problem Solving & Debugging
- Teamwork

LANGUAGES

- Amharic
- English
